Subject:
**EUROPE – SOUTHERN AFRICA TRADE
OPERATION EMERGENCY SURCHARGE**

Dear Clients,

Unfortunately, we must inform you that the situation in the South African ports remains very challenging and we are continuing to be faced with additional operational costs. We therefore have no alternative than to continue to implement the Operational Emergency Surcharge of USD 150 per TEU which we implemented in September (see our Notice to Shippers from 12/8/2019).

Should the situation substantially improve this charge will be accordingly withdrawn.

Kind regards,
DAL Deutsche Afrika-Linien GmbH & Co. KG
