Subject:

CORONAVIRUS POLICIES

Dear Clients,

Since the beginning of the Coronavirus (COVID-19) outbreak our priority has been to safeguard the health and safety of our employees, partners, customers and suppliers. We are following the World Health Organization's strategy of disease containment and are continuing to take measures to reduce the risk of disease transmission and follow the guidance of local authorities.

We have adopted the WHO guidelines for all employees. We advise 14 days self-quarantine of employees returning from specific affected regions as per our global guidance. We also recommend proper precautions by improved hygienical measures according to medical advice.

The DAL/JTE Group of Companies is well prepared for all relevant contingencies and entertains proven business continuity and emergency procedures.

We continue to monitor the situation very closely. Should it be necessary to adapt any of the plans above we will communicate immediately.

Kind regards,

DAL Deutsche Afrika-Linien GmbH & Co. KG
