Subject:

**EUROPE – SOUTH AFRICA TRADE
SAECS VESSEL DEPLOYMENT CHANGE – SANTA BARBARA 434/204A
REPLACED BY SANTA CLARA 435/204A**

Dear valued Clients,

Due to technical problem the Santa Barbara 434/204A had to be withdrawn from the SAECS service in Tangiers on her southbound voyage and has been replaced by the Santa Clara 435/20A which has rejoined the service after being in dry-dock for maintenance and repairs.

All containers loaded in the north European ports on the Santa Barbara have been transhipped in Tangiers onto the Santa Clara on the 14-15/10/20.
The Santa Clara which has meanwhile sailed from Algeciras will omit Cape Town and is now scheduled to arrive in Coega on 29/10/20.

For further details please refer to our online schedules www.dal.biz or contact our local DAL office or representation.

Kind regards,
DAL Trades Management
