Subject:

BILBAO – PORT CONGESTION SURCHARGE

Dear valued clients,

We regret to inform you that due to a worsening of the ongoing congestion in the port of Bilbao we have to implement as from 1st of December 2020 (Bill of Lading date) on all shipments to and from Bilbao a Congestion Surcharge of USD 100 per TEU to cover all additional costs.

When the situation in Bilbao port improves and returns to normal the surcharge will be withdrawn.

We thank you for your understanding and continued support.

Kind regards,

DAL Trade Management
