ATTENTION:

- If DG documents are sent too late or the container is not declared at the customs in time, your container cannot be loaded on the vessel.
- If the B/L instructions have to be corrected 3 days after departure of the vessel, we have to debit you a manifest correction fee of EUR 150,-
- Your B/L instructions always need to include the 6-digit-HS Code (harmonized customer code)
- Please seal your container (high security seal)
