Our local offices will get in contact with you to do the necessary arrangements.

We sincerely apologize for the inconvenience that these necessary contingencies may cause and want to assure you that all measures will be taken to minimize the delay in arrival of your containers in South Africa.

The heavy delay caused by the COVID infection on board of Santa Cruz did not allow any other option than sending the vessel directly to South Africa.

For further details please refer to our online schedules [www.dal.biz](http://www.dal.biz) or contact our local DAL office or representation.

Kind Regards,
