**Subject: AKADIMOS 215S 220N – CAPE TOWN OMISSION**

---

Dear Clients,

Due to the ongoing berthing delays being experienced in Cape Town the following contingency will be implemented to reduce the delays and achieve overall schedule integrity of the SAECS service:

- 1) Akadimos 215S/220N will no longer call Cape Town. She will proceed to Walvis Bay where she will discharge all Cape Town imports and then proceed to Europe. Export cargo ex Cape Town planned for the Akadimos will be rolled over to the Maersk Luz.
- 2) Cape Town imports from the Akadimos 215S ex Walvis Bay will be loaded on the Maersk Cape Town 205E. Schedule details for the Maersk Cape Town will be made available in due course.

We sincerely apologize for the inconvenience caused due to this contingency.

Please contact your local sales office should you have any further questions.

Kind Regards

**DAL Agency Team**

***Please note that this Notice is from our Principals and we distribute same as their representative.***
