**Subject: AKADIMOS 215S 220N – CAPE TOWN OMISSION**

---

Dear Clients,

Please be advised that our partners ONE have now confirmed that the Akadimos 215S/220N will no longer call Walvis Bay and she will instead call Coega where she will discharge imports bound for Cape Town. Oncarraige connection for these imports will be shared in due course

Export stacks for Akadimos are now open in Coega and are scheduled to close on the 26<sup>th</sup> @ 22h00.

We sincerely apologize for the inconvenience caused due to this contingency.

Please contact your local sales office should you have any further questions.

**Kind Regards**

**DAL Agency Team**

***Please note that this Notice is from our Principals and we distribute same as their representative.***
