**EUROPE & MEDITERRANEAN - SOUTHERN AFRICA TRADE (southbound)
OPERATION EMERGENCY SURCHARGE**

Dear Valued Client,

We continue experiencing substantial congestions and weather delays of our vessels in all ports of our rotation. Since some months we have been faced with mounting additional operational costs due to excessive delays and operational problems in the South African and European ports with resulting schedule disruptions.

To allow us to continue to provide you with our high-level service, DAL will have to re-enforce the Operation Emergency Surcharge for all 20' and 40' General Purpose and Reefer Containers on the southbound trade from Europe & Mediterranean to South Africa.

The amount of USD 275 per TEU continues valid until further notice.

This charge will be applicable in addition to all currently valid rates and charges.

Thanking you for your understanding and continued support.

Kind regards,
DAL Deutsche Afrika-Linien GmbH & Co. KG
