ATTENTION:

- If a.m. Deadlines are exceeded, loading of your container cannot be guaranteed
- Please seal your container (high security seal)
- BHT reference for DG containers must be available prior gate in (BRV)
- Portbase registration needs to be created prior to loading on a barge/rail (RTM)
- C-Point / e-desk registration for Antwerp required prior gate in (ANR)
- Bookings are based on voyage numbers, vessel names may change in case of schedule recoveries
- Belated submission of VGM will be charged with EUR 60,-
- B/L instructions always need to include the 6-digit-HS Code (harmonized customer code)
- Drafts will only be sent automatically if Original documents are required. Waybills may be amended free of charge up to 3 days after vessel's departure
- Further surcharges + service fees published on www.dal.biz
