SAECS SERVICE ENHANCEMENT – SOUTHBOUND CALL ROTTERDAM**

Dear Valued Clients,

We are very pleased to inform you about an important improvement in our service between Europe and South Africa v. v..

Together with our SAECS partners we have decided to include additionally in our European coastal schedule a second call at the port of Rotterdam after Bremerhaven.

With this change the port rotation in northern Europe will in future be:

Rotterdam (Uniport)	- eta 11.00 p.m. Wed / etd 01.00 p.m. Thur
London Gateway	- eta 02.00 a.m. Fri / etd 06.00 p.m. Fri
Bremerhaven (NTB)	- eta 06.00 p.m. Sun / etd 02.00 p.m. Mon
Rotterdam (APMT)	- eta 10.00 a.m. Tues / etd 11.00 p.m. Tues

This schedule enhancement will provide substantially (5 days) reduced transit times from the ports of Rotterdam and Antwerp to all Southern African ports and also the ports covered in our service via Algeciras to North Africa.

In addition, the transit times we offer from all South Africa ports into London Gateway will be improved with the vessels arriving nearly one day earlier than on the present schedule. However, there will be no changes to the South Africa ports arrival and departure times.

The first vessel to operate on this enhanced schedule will be the DAL Karoo 166B/167A calling Rotterdam on Tuesday, 27th of September 2016.

Updated schedules and transit times will be available shortly on www.dal.biz or for further details please contact your local DAL office.

Kind regards,
DAL Deutsche Afrika-Linien GmbH & Co. KG
