Subject:
SOUTH AFRICA – CUSTOMS ADVANCED MANIFEST FEE

Dear valued customer,

In accordance with the New Customs Act Program (NCAP) for all cargo destined to the Republic of South Africa we are required to submit electronically to the South African Customs an advanced manifest, 24 hours before loading onto the vessel from which the cargo will be discharged in a South African port.

To cover the additional costs and administration workload which this requirement of the South African Customs creates it is necessary for us to implement a Customs Advanced Manifest (CAM) Fee of USD 28 per Bill of Lading. This fee will be charged for all cargo bound for South Africa loaded on vessels leaving its first port of loading as from the 1st November 2018.

We thank you in advance for your co-operation and continued support.

If you require further information, please contact your local DAL agent.

Kind regards,
DAL Deutsche Afrika-Linien GmbH & Co. KG
